FOSTERING INNOVATION IN CORPORATE REPORTING

WHAT IS THE ROLE OF THE EUROPEAN LAB@EFRAG?

5 March 2019 12:30 – 18:00

Brussels

EFRAG is organising a high-level conference on Tuesday 5 March 2019 on corporate reporting and the role of the recently-established European Corporate Reporting Lab (the European Lab@EFRAG).

Confirmed speakers include:

- Valdis Dombrovskis, Vice-President of the European Commission; and
- Richard Howitt, CEO of the IIRC.

Answering a call from the European Commission in its Action Plan on Financing Sustainable Growth, EFRAG set up the European Lab@EFRAG to stimulate innovation in the field of corporate reporting in Europe by identifying and sharing good practices.

More information about the conference will be published on the EFRAG website. Registration for the event is required. Entrance is free-of-charge. The language of the event will be English.
