

INVITATION TO COMMENT ON EFRAG'S ASSESSMENTS ON LONG-TERM INTERESTS IN ASSOCIATES AND JOINT VENTURES (AMENDMENTS TO IAS 28)

Comments should be submitted by 16 February 2018 by using the 'Express your views' page on EFRAG website or by clicking here

EFRAG has been asked by the European Commission to provide it with advice and supporting material on *Long-term Interests in Associates and Joint Ventures* (Amendments to IAS 28) ('the Amendments'). In order to do so, EFRAG has been carrying out an assessment of the Amendments against the technical criteria for endorsement set out in Regulation (EC) No 1606/2002 and has also been assessing the costs and benefits that would arise from their implementation in the European Union ('the EU') and European Economic Area.

A summary of the Amendments is set out in Appendix 1 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Before finalising its assessment, EFRAG would welcome your views on the issues set out below. Please note that all responses received will be placed on the public record, unless the respondent requests confidentiality. In the interests of transparency, EFRAG will wish to discuss the responses it receives in a public meeting, so it is preferable that all responses can be published.

EFRAG's initial assessments, summarised in this questionnaire, will be updated for comments received from constituents when EFRAG is in the process of finalising its *Letter to the European Commission* regarding endorsement of the Amendments.

accompanying Draft Letter to the European Commission regarding endorsement of the Amendments.

Improvement in financial reporting

EFRAG has identified that in assessing whether the endorsement of the Amendments is conducive to the European public good it should consider whether the Amendments are an improvement over current requirements across the areas which have been subject to changes (see paragraphs 3 to 6 of Appendix 3 of the accompanying Draft Letter to the European Commission). To summarise, EFRAG's initial assessment is that pending the outcome of the IASB's equity method research project, the Amendments are likely to improve the quality of financial reporting.

| 5 | EFRAG is also assessing the costs that are likely to arise for preparers and for users on implementation of the Amendments in the EU, both in year one and in subsequent years. Some initial work has been carried out, and the responses to this invitation to comment will be used to complete the assessment. | | | | | |
| | The results of the initial assessment of costs are set out in paragraphs 8 to 16 of Appendix 3 of the accompanying <i>Draft Letter to the European Commission</i> regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that the Amendments are likely to result only in insignificant one-off and/or ongoing costs for preparers. The Amendments are also likely to result in some minor costs for users. | | | | | |
| | Do you agree with this assessment? | | | | | |
| | | | | | | |
| | If you do not, please explain why you do not and (if possible) explain broadly what you believe the costs involved will be? | | | | | |
| | | | | | | |
| 6 | In addition, EFRAG is assessing the benefits that are likely to be derived from the Amendments. The results of the initial assessment of benefits are set out in paragraphs 17 to 20 of Appendix 3 of the accompanying <i>Draft Letter to the European Commission</i> regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that users and preparers are likely to benefit from the Amendments. | | | | | |

| | ⊠ Yes □ No | | | | | |
| | If you do not agree with this assessment, please provide your arguments and indicate how this could affect EFRAG's endorsement advice. | | | | | |
| | | | | | | |
| 7 | EFRAG's initial assessment is that the benefits to be derived from implementing the Amendments in the EU, as described in paragraph 6 above, are likely to outweigh the costs involved, as described in paragraph 5 above. | | | | | |
| | Do you agree with this assessment? | | | | | |
| | ⊠ Yes □ No | | | | | |
