

**INVITATION TO COMMENT ON EFRAG'S ASSESSMENTS ON
Interest Rate Benchmark Reform – Phase 2
(Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16)**

Once filled in, this form should be submitted by 7 September 2020 using the 'Comment publication link' available at the bottom of the respective news item. All open consultations can be found on EFRAG's web site: [Open consultations: express your views.](#)

EFRAG has been asked by the European Commission to provide it with advice and supporting material on *Interest Rate Benchmark Reform – Phase 2 (Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16)* (the Amendments). In order to do so, EFRAG has been carrying out an assessment of the Amendments against the technical criteria for endorsement set out in Regulation (EC) No 1606/2002 and has also been assessing the costs and benefits that would arise from their implementation in the European Union (the EU) and European Economic Area.

A summary of the Amendments is set out in Appendix 1 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Before finalising its assessment, EFRAG would welcome your views on the issues set out below. Please note that all responses received will be placed on the public record, unless the respondent requests confidentiality. In the interests of transparency, EFRAG will wish to discuss the responses it receives in a public meeting, so it is preferable that all responses can be published.

EFRAG's initial assessments, summarised in this questionnaire, will be updated for comments received from constituents when EFRAG is in the process of finalising its *Letter to the European Commission* regarding endorsement of the Amendments.

Your details

1 Please provide the following details:

- (a) Your name or, if you are responding on behalf of an organisation or company, its name:

Financial Reporting Council (UK)

- (b) Are you a:

Preparer User Other (please specify)

Regulator

- (c) Please provide a short description of your activity:

We regulate auditors, accountants and actuaries, and we set the UK's Corporate Governance and Stewardship Codes.

(d) Country where you are located:

United Kingdom

(e) Contact details, including e-mail address:

s.pustshah@frc.org.uk

EFRAG's initial assessment with respect to the technical criteria for endorsement

2 EFRAG's initial assessment of the Amendments is that they meet the technical criteria for endorsement. In other words, the Amendments are not contrary to the principle of true and fair view and meet the criteria of understandability, relevance, reliability, comparability and lead to prudent accounting. EFRAG's reasoning is set out in Appendix 2 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

(a) Do you agree with this assessment?

Yes No

If you do not agree, please provide your arguments and what you believe the implications of this could be for EFRAG's endorsement advice.

(b) Are there any issues that are not mentioned in Appendix 2 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments that you believe EFRAG should take into account in its technical evaluation of the Amendments? If there are, what are those issues and why do you believe they are relevant to the evaluation?

We concur with EFRAG's conclusion that the Amendments meet the technical criteria for endorsement in Regulation (EC) No 1606/2002. We consider that the Amendments promote in particular the technical criterion of relevance and are designed to ensure the faithful presentation of the transition to new benchmark rates in the financial statements.

We consider that the Amendments are appropriately targeted at the impact of IBOR reform, without creating precedence for other events or circumstances.

We support a speedy endorsement of the Amendments, to facilitate application prior to periods beginning on or after 1 January 2021.

The views expressed by the Financial Reporting Council in this response are separate from and will not necessarily affect the conclusions in any endorsement assessment provided to the UK's Secretary of State for Business, Energy and Industrial Strategy on an amended International Accounting Standard.

The European public good

3 In its assessment of the impact of the Amendments on the European public good, EFRAG has considered a number of issues that are addressed in Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Improvement in financial reporting

- 4 EFRAG has identified that in assessing whether the endorsement of the Amendments is conducive to the European public good it should consider whether the Amendments are an improvement over current requirements across the areas which have been subject to changes (see paragraphs 3 to 5 of Appendix 3 of the accompanying *Draft Letter to the European Commission*). To summarise, EFRAG's initial assessment is that the Amendments are likely to improve the quality of financial reporting.

Do you agree with the assessment?

Yes No

If you do not agree, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

We do not express a view on EFRAG's assessment.

Costs and benefits

- 5 EFRAG is also assessing the costs that are likely to arise for preparers and for users on implementation of the Amendments in the EU, both in year one and in subsequent years. Some initial work has been carried out, and the responses to this invitation to comment will be used to complete the assessment.

The results of the initial assessment of costs are set out in paragraphs 11 to 13 of Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that implementation of the Amendments will not result in increased costs to users; that is, it is likely to be cost neutral.

Do you agree with this assessment?

Yes No

If you do not, please explain why you do not and (if possible) explain broadly what you believe the costs involved will be?

We do not express a view on EFRAG's assessment.

- 6 In addition, EFRAG is assessing the benefits that are likely to be derived from the Amendments. The results of the initial assessment of benefits are set out in paragraph 14-16 of Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that users will benefit from financial information reflecting the underlying economic substance. The Amendments are expected to significantly reduce the operational burden on preparers. In addition, preparers will benefit from the Amendments which will help with avoiding the undue disruption from discontinuing hedging relationships which would otherwise be caused by the IBOR reform.

Do you agree with this assessment?

Yes No

If you do not agree with this assessment, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

We do not express a view on EFRAG's assessment.

- 7 EFRAG's initial assessment is that the benefits to be derived from implementing the Amendments in the EU, as described in paragraph 6 above, are likely to outweigh the costs involved, as described in paragraph 5 above.

Do you agree with this assessment?

Yes No

If you do not agree with this assessment, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

We do not express a view on EFRAG's assessment.

Overall assessment with respect to the European public good

- 8 EFRAG has initially concluded that endorsement of the Amendments would be conducive to the European public good (see paragraphs 23 to 27 of Appendix 3 of the accompanying *Draft Letter to the European Commission*).

Do you agree with this conclusion?

Yes No

If you do not agree, please explain your reasons.

We do not express a view on EFRAG's conclusion.
