On 29 April 2022, EFRAG launched a public consultation on its Draft European Sustainability Reporting Standards Exposure Drafts. The public consultation will examine different possible approaches on European Sustainability Reporting Standards Exposure Drafts.

In this context, the Accounting Standards Committee of Germany (DRSC) and EFRAG are organising a joint outreach event and invite all interested stakeholders to participate. German stakeholders will provide their views on these approaches and will further comment from their perspective on the draft ESRS EDs. The audience will be able to interact and raise questions that will be commented by the speakers.

Detailed programme will follow in due course.

This event will be in German.
