

## EFRAG & ISSB joint outreach event on ISSB Agenda consultation and International Applicability of SASB Standards

### Meet the speakers !

On 15 June 2023 from 13:30 to 15:30 CET, EFRAG & ISSB will host a joint outreach event on ISSB's Request for Information (RFI) on its Agenda consultation and International Applicability of SASB Standards. This will be a hybrid event, taking place in EFRAG offices in Brussels or online.

#### *Welcome and opening:*

Patrick de Cambourg  
EFRAG SRB Chair

Patrick de Cambourg is the Chair of the EFRAG Sustainability Reporting Board since November 2022.

Between 2015 and November 2022, he was President of the Autorité des normes comptables (ANC), the French accounting standard-setting Public Authority. As such, he was also a member of the Boards of Autorité des marchés financiers (AMF), Autorité de contrôle prudentiel et de Résolution (ACPR), CNOCP and a member of the Haut Conseil de Stabilité Financière.

Patrick was a member of the EFRAG Financial Reporting Board and chaired the EFRAG Project Task Force on preparatory work for the elaboration of possible EU non-financial reporting standards from September 2020 until April 2022.

Patrick, a graduate from Sciences Po Paris, holds degrees in public and business law and has a Bachelor of Arts. As chartered accountant and auditor, he spent his entire career within the Mazars Group, successively as junior, manager, partner and senior partner (1983-2014). Since late 2014, he is Honorary President of the Mazars Group.

Jenny Bofinger-Schuster  
ISSB Board Member

Jenny Bofinger-Schuster was appointed as a full-time member of the International Sustainability Standards Board (ISSB) in August 2022, effective 1 December 2022.

Prior to joining the ISSB, Ms Bofinger-Schuster served as Senior Vice President for sustainability and operational excellence at Siemens. In this role she was responsible for developing the company's sustainability strategy and for implementing new disclosure requirements.

Prior to this she held senior positions at Siemens Management Consulting and Horváth & Partners Management Consultants.

Ms Bofinger-Schuster holds a Diploma in Business Administration from the University of Augsburg and an MBA from the University of Dayton, Ohio.

*Moderator:*

Saskia Slomp  
EFRAG CEO

Saskia Slomp has been appointed EFRAG CEO from 1 April 2019. She has been Governance and Admin Director at EFRAG from 1 January 2010 until 31 March 2019. In this role, she supported the various governance bodies of EFRAG and was responsible for the user activities and outreach events, in addition to her responsibilities for human resources. Until the end of 2009, she was Technical Director at FEE (now Accountancy Europe), one of the founding member organisations of EFRAG.

She has been involved in EFRAG since its establishment. Within Accountancy Europe, she was responsible for financial reporting, company law, corporate governance, capital markets, SMEs, sustainability issues and the public sector. In the beginning of her career, she worked with KPMG in The Netherlands. Saskia is a member of the Dutch NBA.

*Panellists:*

Francesca Recanati  
ISSB Technical Staff

Dr. Francesca Recanati is a member of the technical staff of the International Sustainability Standards Board (ISSB) at the IFRS Foundation, where she works on the consultation on agenda priorities and on the development of guidance on IFRS S2 Climate-related disclosures.

In February 2020, she joined the Climate Disclosures Standards Board (CDSB), where she led the development of the CDSB Framework application guidance for water and biodiversity-related disclosures. Before she worked as a sustainability consultant at GreenDelta GmbH and for the Barilla Foundation. She holds a PhD in Information Technology at the Politecnico di Milano with a focus on mathematical models and methods (Life Cycle Assessment and dynamic ecological models) for the assessment of environmental impacts of agricultural activities.

Chiara Del Prete  
EFRAG SR TEG & IFASS  
Chair

Chiara Del Prete is EFRAG Sustainability Reporting TEG (EFRAG SR TEG) Chairwoman since February 2023 and International Forum of Accounting Standard Setters (IFASS) Chairwoman since January 2022 for an initial term of two years. She was EFRAG FR TEG Chairwoman from 2019 until 2023. From 2016 to 2019, Chiara was a partner at Mazars and member of Mazars Global IFRS Committee.

Between 2011 to 2016, Chiara was Head of accounting principles at UniCredit Group. She was also member of IFRS 9 technical groups of the European Banking Federation (EBF) and of the Italian Banking Association (ABI) and of the Three-Way Dialogue and Senior Accounting Group of the Institute of International Finance (IIF).

Chiara started her career as financial statements auditor and consultant in 2000 and worked for KPMG Italy and PwC Italy. She has been member of ESMA Corporate Reporting Standing Committee from 2017 to 2019.

**Sigurt Vitols**  
EFRAG SR TEG  
Vice-Chair

Sigurt Vitols, Ph.D. is an Associate Researcher at the European Trade Union Institute, Senior Researcher at the WZB Social Science Center Berlin (WZB) and Guest Lecturer at the Free University Berlin. His policy-oriented research focuses on sustainability, corporate social responsibility, worker involvement and corporate governance.

He has provided policy advice and testified at hearings for the European Trade Union Confederation, the European Commission, the European Parliament and the German Bundestag.

His publications include a three-volume edited collection on the characteristics and prerequisites of the 'Sustainable Company': *The Sustainable Company: a New Approach to Corporate Governance* (co-edited with Norbert Kluge, 2011); *European company law and the Sustainable Company: a stakeholder approach* (co-edited with Johannes Heuschmid, 2012); and *Long-term Investment and the Sustainable Company* (2015) (all published in Brussels by the ETUI).

**Pedro Faria**  
EFRAG Environmental  
Lead

Before joining EFRAG technical leadership team as Environmental leader, Pedro worked for 13 years at CDP as Technical Director (2009-2018) and as an Advisor to CDP executive team (2019-2022). CDP is a not-for-profit organization promoting a global disclosure system for companies, investors, cities, States, and regions to manage their environmental impacts.

He also has previous experience working with private sector as a sustainability consultant and public administration implementing the Integrated Prevention and Pollution Control Directive and the EU Emissions Trading system (Portuguese Environmental Agency). Pedro is an environmental engineer and has a MSc in Engineering and Innovation Management, both at Instituto Superior Técnico (Lisbon).

**Wim Bartels**  
EFRAG SRB Member

Wim Bartels works in sustainability reporting and assurance since 2003.

He has worked with over 50 multinational, listed companies across Europe. He is European partner at Deloitte, focusing on the implementation of disclosure requirements and related business strategy.

Wim has been a member of the Task force on Climate-related Financial Disclosures since its inception in 2016 till December 2021 and has been the programme lead of the Corporate Reporting Dialogue from 2017 to its sunseting. Currently he serves as the Chair of the Sustainability Policy Group of Accountancy Europe.

Laura Girella  
ISSB Technical Staff

Prof. Laura Girella is Technical Specialist, Connectivity and Integrated Reporting at the IFRS Foundation, collaborating on the development of the technical work on integrated reporting. She is also Associate Professor in Business Economics at the University of Modena and Reggio Emilia (with a habilitation to serve as Full Professor).

She joined the staff of the International Integrated Reporting Council (IIRC) in 2014 where, over the years she has also been leading on the IR Academic Network and Database.

Since February 2018, she is a member of the Stakeholder Reporting Committee of the European Accounting Association (EAA SRC) and, from June 2020 to June 2021, she has been a member of the EFRAG Project Taskforce on Non-Financial Risks and Opportunities and Linkage to the Business Model. Over the years, she has also cooperated with the World Intellectual Capital Initiative (WICI) and the Italian Foundation for Business Reporting (OIBR).

Corey Walrod  
ISSB Technical Staff

A member of the IFRS Foundation's ISSB Technical Staff, Corey previously worked as an energy finance consultant along the entire oil & gas value chain from reservoir to retail pump. With a broad background in investment appraisal, business development, and Treasury corporate finance, he has a deep understanding of global energy markets.

Advising senior executives at ConocoPhillips and Phillips 66, he managed global investment banking and joint venture relationships, negotiated commercial and financial transactions, and provided critical due diligence expertise to a variety of global project design, investment, and management teams. A Chartered Financial Analyst and former military aviator, he holds degrees in history, economics, mathematics, business administration, and public affairs.
