³ The Commission Regulation (EU) 2017/1988 of 3 November 2017, states “**The Commission, however, considers that the amendments to IFRS 4 are not sufficiently broad in scope to meet the needs of all significant insurance entities in Union. In particular, the insurance sector within a financial conglomerate would not be eligible to defer the application of IFRS 9, which could put them at a competitive disadvantage. Therefore, the insurance sector of a financial conglomerate falling within the scope of Directive 2002/87/EC of the European Parliament and of the Council (3) should be allowed to defer the application of IFRS 9 until 1 January 2021**”.
