

The attached statistics were prepared using the results of Survey 1 and Survey 2 of the [public consultation on the first set of Draft ESRS](#).

For the purposes of calculating and presenting the attached statistics:

- **'Support'** represents the count of the following responses:
 - 'Fully'
 - 'To a large extent with some reservations'
- **'Do not support'** represents the count of the following responses:
 - 'Not at all'
 - 'To a limited extent with strong reservations'
- Blank and 'Not applicable' responses were excluded for the purposes of the calculations.

The first pages present an overview of the responses for the standard concerned, with information on responses by DR provided on the following pages.
